

Gabriella Ljungström @ UiB
paper:

“Parent-offspring conflict over reproductive timing: Ecological dynamics far away and at other times may explain spawning variability in Pacific herring”

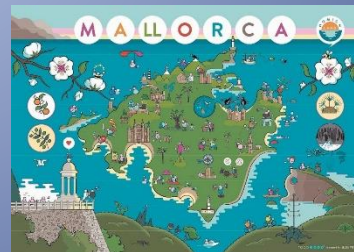

<https://academic.oup.com/icesjms/advance-article/doi/10.1093/icesjms/fsy106/5070414>

Tom Langbehn @ UiB
received the Best Presentation award from Simon Jennings at the ASC 2018 closing ceremony in Hamburg, among 276 oral presentations.

A video call meeting between MARmaED core-members was held on September 21st and discussed about ESRs' progress, ESRs workshop, next MARmaED annual meeting and MARmaED after 2019.

The next MARmaED annual meeting will be held in June 2019 in Mallorca. More news coming soon!
